Subject: Invitation from Hani Farsi - White Helmets Dinner 21st November

And final one! Many thanks, really appreciate your help with this. Have a good evening and speak again soon. All my best, Tanya

Dear Mr Waters

I am writing to invite you and a guest to join Hani at a fundraising dinner that he is hosting on Monday 21st November on behalf of The Syria Campaign. The dinner will take place at the Bulgari Hotel, 171 Knightsbridge, London, SW7 1DW from 7.30pm.

The Syria Campaign launched in 2014 with a mission to elevate the voices of Syria's peaceful heroes and accelerate international efforts towards an end to the conflict. The Asfari Foundation provided the start-up funds for The Syria Campaign and we will be joined on the evening by Sawsan Asfari.

Since its launch, the organisation has been working with peaceful Syrian groups to build them an international profile. Most notably, their work with The White Helmets has helped these rescue workers attract more than \$15 million in government funding and turned them into household names - narrowly missing out on the Nobel Peace Prize this year. I would encourage you to watch the incredibly powerful documentary 'The White Helmets', which can be viewed online on Netflix. A trailer for this is available here: <https://www.youtube.com/watch?v=3wj4nclEDxw>

You may also find the following articles from the Guardian and Time Magazine of interest:

You will also be joined at the dinner by James Sadri, the Director of The Syria Campaign, who will talk about how this important work has the power to unlock major institutional funds for peaceful Syrian groups and more importantly, how it helps to shift the conflict towards peace.

I very much hope you are able to join him and would be grateful if you could RSVP to myself at Tanya@[REDACTED].com> by Monday 31st October.

Very best wishes and kindest regards
Tanya
