Experience:

Organizing for America - Florida

Field Organizer

St. Augustine, FL

March –November 2012

- Oversaw and facilitated the implementation of the field plan for President Obama's reelection campaign, and managed the field staff of fifteen in the OFA-Florida office in St. Augustine, FL
- Organized, recruited, and executed daily field events including phone banks, canvasses, and principal visits
- Responsible for fulfilling weekly goals and reported metrics on a daily basis to measure progress to goal
- Represented the President and his administration's policies while speaking at various public venues and events

Greenberg Quinlan Rosner Research

Domestic Campaigns Intern

Washington, D.C.

January– March 2012

- Conducted background research for political candidates that included extensive opposition research and metrics-intensive information
- Assisted in drafting and proofing pitch memos and strategy outlines for potential clients
- Proofed survey questionnaires and tested and monitored surveys as they were conducted in the field
- Interpreted polling data and provided assistance in delivering strategic advice to clients

Center for American Progress

Think Progress: War Room Intern

Washington, D.C.

September– December 2011

- Conducted research for Think Progress bloggers and assisted in writing blog posts that act as the media relations branch of the Communications team
- Consistently conducted research and tracked major congressional races and statewide races as well as maintained a daily calendar tracking GOP presidential candidates

Partnership for Public Service

Government Transformation Fellow

Washington, D.C.

Summer 2010

- Core team member in developing a pilot program for the Office of Management and Budget that reformed the process of conducting an executive hiring search for the federal government
- Coordinated and participated in interviews with Chief Information Officers and Chief Human Capital Officers of federal Cabinet agencies such as Department of Defense and Department of Homeland Security
- Provided logistical support for leadership seminars for one hundred thirty senior federal employees

Hobart and William Smith Colleges

Center for Community Engagement and Service Learning – Civic Leader

Geneva, NY

August 2008 – May 2011

- Responsible for recruiting HWS students to volunteer at the Community Center in Geneva, NY
- Served as a liaison between the HWS student volunteers and the staff members of the Community Center
- Led an afterschool program that taught middle school students of minority status how to manage money and encouraged students to become entrepreneurs and fiscally responsible young adults

Stewardson Society – Co-Chair

August 2010 – May 2011

- Led the senior classes in the acquisition, retention, and stewardship of the Colleges' senior gift supporters
- Assisted in the planning and execution of Stewardson Society events and regularly met with and reported progress to the Assistant Director of Annual Giving
