Stella, are you good with SPC tribes? Or do you want to just include tribes who have done extra funds?

SPC tribe clicks: 7

SPC tribe bodies: 13

Ok pls ask Aaron - brl is on vacation today and tomorrow. So I'm unclear how we can ask him but Aaron is in NM so maybe he can find it.

Unfortunately that will be too late. We need to start collecting guests' vetting info for the photoline today. Vetting due COB Wednesday.

I am fine with the SPC people below. HOWEVER, Missy, do you think we need to flag this for BRL especially because none of the NM donors will be receiving photos? None of them have given/raised at SPC level.

Liz, please note that Dawn & Carmen will be in photo line.

We will need click cards for the photoline guests and nametags will need stars.

So for the sake of argument I only gave SPC people clicks, and anyone who is doing \$2,500 or is Chairman's council is labeled "CC/giving:"

So we haven't had any SPC or individual donors RSVP since Thursday/Friday. The Therapeutics guy is out since he is NOT the donor and Stella said no reps.

These are the SPC individuals and tribes, or Chairman's council or NM people who have raised to attend. Since we can only have 20 people in the photoline, what do y'all suggest?
