*Giuffre v. Ghislaine Maxwell*, No. 15 Civ. 7433 (LAP)

Dear Judge Preska:

This is a letter motion seeking leave to permit Ms. Maxwell to file a redacted Reply In Support of Her Objections to Unsealing Sealed Materials and to file under seal Exhibits A-D thereto.

The Protective Order governing this case states:

Whenever a party seeks to file any document or material containing CONFIDENTIAL INFORMATION with the Court in this matter, it shall be accompanied by a Motion to Seal pursuant to Section 6.2 of the Electronic Case Filing Rules & Instructions for the Southern District of New York.

Doc. # 62 at 4. The Reply and Exhibits A-D contain information deemed CONFIDENTIAL by the parties pursuant to the Protective Order. References to and discussion of specific CONFIDENTIAL materials are necessary to support Ms. Maxwell's request that these materials remain under seal.

Ms. Maxwell intends to file the redacted version of the Reply publicly on ECF and seeks leave only to file the unredacted version and Exhibits A-D under seal.

Respectfully submitted,

Laura A. Menninger
