This disturbing picture of a very young girl hinted at Epstein's pedophile proclivities. One source told the cops, according to Radar's report, that Epstein had promised, "I'll pay you if you bring some girls. He told her the younger the better. [The girl] once stated she once tried to bring a 23-year-old female and Epstein stated that the female was too old." According to the women who claimed to have visited his home, they were paid to give him erotic massages despite their lack of professional massage training.
