Hey [redacted]:

It was Great to here from you.I replied yesterday but the whole email got deleted somehow when I pressed send. I was super irritated. Everything is going well here. In south Africa and I have to say it is wonderful being with my family. I will take lots and lots of photos to show you where I come from.

Still determined about going to Miami and then studying in NY. I will be leaving here on the 27th and then meeting up with Jeffrey where ever he may be... Well that is the plan as far as I know. I do however need to phone him this week. I am getting a bit nervous about evetthing now.diet is still going well. I am 57 kg now. I however dont want to loose anymore. Hav you started gym yet. You will definitely have a partner when I get back. Speaking of which have you found a super nice man yet? My beautiful friend you deserve the best. So what else is happening? Are you still doing your internship and how is that going? Anyway I better go.

Babes I really miss you and I am so happy that you emailed me. Hope to hear from you soon.

Lots of hugs and kisses
